

Help to support schools that are working for a peaceful world!

Nominate a school for a **Peaceful Project Award** or a pupil or member of school staff for the **Peacemaker Award!**

Peaceful Projects could be things like:

- the creation of a peace garden or indoor quiet area;
- a training programme for staff and pupils on building positive relationships and peaceful conflict resolution;
- setting up a Peer Mediation or Playground Friends scheme.

A **Peacemaker** is a child, young person or member of school staff who has 'gone the extra mile' towards the promotion of peace between others/people of any age.

Please email anna@peacefulschools.org.uk for a nomination form!

The Peaceful Schools Awards scheme celebrates the important role that schools can play in equipping children and young people with the skills they need to live peaceful lives and to be peacemakers. The awards have been developed by Quaker Peace & Social Witness, Peacemakers in Birmingham, David Holmes – Schools Consultant and Spiritual England.

You can check out the publications, resources and information on the Peaceful Schools website www.peacefulschools.org.uk

 **Peaceful Schools Movement**

The Peaceful Schools Movement is a network of schools and organisations working for a peaceful world.
